WRECK OF THE "HAMILLA MITORELL."

solution if they did not obey the Government, found that she had sottled down by the stern, (Mr. Bright denied by a gesture that he made | the water then being over the mizes top, her bow however was out of the water. As the

from Shanghail mentions that the China had a vice, the heavy swell that is always running there did not move her in the least. The only danger to be feared was a strong blow from the S.E., and as it is now almost too late in the oction of the vessel. The Quashing had returned on the 17th from the wreck, bringing a quantity of the cargo. The Confucius was to remain by the wreak till the agents make their

arrangoments. The N. O. Daily News' account agrees with he above in the umin as to the facts, but that paper: expresses a contrary opinion as to the Hamilla Milchell is, it appears, wrecked on the S.E. point of the island, and lies firmly imbedded between two rocks, sloping at an angle of about 45 degrees with her fore-foot nearly out of the water, and the stern immersed as far as the middle of the davits, at low water. She elevated forward that the sex is on a line with the mixen top and after part of topgallant forecastle, it is evident the ship will become a total. wreck. Unfortunately there is generally a beavy swell, and great caution has to be used in getting on board or in trying to save the immediately under the poop, in a separate compartment by itself. Difference of opinion exists as to the prospects of saving it; but there is little doubt that a large portion of
